Dear Sirs,

RE: CHANGE IN FEES - LEGALISATION OF DOCUMENTATION

We write further to our letter dated 31st December 2009.

Please be informed that it has become apparent due to further clarification received from the Iraqi Ministry of Trade, fees chargeable for legalisation of the following documentation by the Commercial Attaché office has been amended to \$160.00 (equivalent to £95.00) per page:

1. Certificates of Origin
2. Commercial Invoices
3. Health & Safety Certificates

Kindly note that this applies to photocopied documents as well as original copies requiring legalisation and we have been given strict instruction to legalise every page.

We would be very grateful if you were to inform your colleagues, members and companies seeking to make use of the legalisation service of the updated fees.

Many thanks for your kind and professional attention to the matter and would like to take this opportunity to reiterate our sentiments in wishing you a very Happy New Year.

Please do not hesitate to contact us should you require further information or have any further queries and we will be very happy to offer our assistance.

Yours faithfully,

Iraqi Commercial Attaché Offices
